## DRIVE22+ Event Details

**NATIONAL — ALL STATES**  
**The MONTH of NOVEMBER ... ALL MONTH!**

Hi friends,

I am driving for Veterans and specifically to prevent suicides! Would you consider donating on my behalf to these two organizations, Team Veteran Foundation and Victory For Veterans Foundation, helping them achieve the goals to reduce this epidemic of suicides!

For the month of November, I am driving in support of these organizations and hope to raise as much money as I can for them.

Your donations are tax deductible and you can easily register and donate at the following, fully secure site. When you register please find my name in the team code section.

Thank you for joining me in support of these great Veteran Organizations!

Also, just so you know, if I am lucky enough to be among the top five contributors who raise more than \$2.5k, thanks to folks like you, I can win a Tablet or Mobile Phone...

Sincerely,  
Your transportation expert

## TVF & VFV Mission & Vision

**MISSION:** Build a Financial CORPUS to enable sustainable funding

**VISION:**

- Reduce Suicide Epidemic (currently at 22-30+ per day)
- ZERO Untreated for Traumatic Brain Injuries (TBI) and Post Traumatic Stress (PTS)

**METHOD:**

- ◇ Suicide Prevention happens one person at a time... answer the phone, listen, get them connected to the right resource for the right issue; in a timely manner!
- ◇ TBI Treatments Medical intervention of the right type: Hyperbaric Oxygen Therapy (HBOT)
- ◇ PTS Treatments Once you address the TBI issues you can effectively treat PTS
