Solo Driver Instructions

1. For Account Type select "Individual" and then type in a username. This creates the custom URL that you will share with your supporters. (We will email this link to you once you finish so you can share it.)
2. Set your fundraising goal and leave the 3 drop-downs set to "Yes"
3. Use the box to tell your contributors about yourself and why you're fundraising for Drive22+
4. Click "Start Fundraising" and check your email for your URL to share with others!

Now just tell folks your team name so when they register they look for you and register under your name... That's it!

Team Drivers Instructions

1. For Account Type select "Join an Existing Team" to select your team from the "Team Name" drop-down or select "Create a New Team" and type in your team name if it's not listed yet. (if you're creating a team, set the Team Name and goal, leave the 3 drop-downs set to "Yes", and use the box to tell your contributors about your team and why you're fundraising for Drive22+)
2. Select "Yes" for "Would you also like to create a personal fundraising page?" and then type in a username. This creates the custom URL that you will share with your supporters. Copy this URL and share it with others via email or social media. (Don't share the Team URL that comes in the confirmation email, contributions there will not add towards your personal goal!)
3. Set your fundraising goal and leave the 3 drop-downs set to "Yes"
4. Use the box to tell your contributors about yourself and why you're fundraising for Drive22+
5. Click "Start Fundraising" and share the URL from above with others!

Now just tell folks your team name so when they register they look for you and register under your name... That's it!

If you forgot to copy or write down your individual page URL and you need to look it up, you can find it by logging into ITS YOUR RACE, going to My Account/ Your Profile, and then clicking on your link under "My Fundraising Pages". Once on your page, you can copy the URL out of the address bar and share it with others.
